Giving Golden Opportunities

August 26, 2009

Dear Colleague,

The Health Professions Education Foundation (Foundation) is pleased to announce the March 2009 award recipients for the Mental Health Loan Assumption Program (MHLAP). Pursuant to the Mental Health Services Act (MHSA), MHLAP was created to increase the supply of hard to retain professionals practicing in California's public mental health system by providing a financial incentive to repay educational debt.

MHLAP's inaugural application cycle – March 24, 2009 – demonstrates the overwhelming need for this program with 1,222 applicants statewide. Applicants incurred an educational debt burden of $57,594,700, requested more than $15 million in loan repayments and more than half (55%) were employed in a hard-to-fill/retain position within the state's public mental health system. Overall, MHLAP was able to award $2,246,874.31 to 283 individuals employed in 41 counties across the State.

To initiate the selection process, candidates completed a hybrid application, which allowed them to simultaneously apply for both MHLAP as well as the Foundation's Licensed Mental Health Service Provider Education Program. During an initial review by Foundation Staff, 193 of the 1,222 applications were deemed incomplete or ineligible for MHLAP. An additional 366 applicants did not qualify for the program because they were deemed as not working in a hard-to-fill/retain position.

Members of the MHLAP Advisory Committee, including representatives from the Foundation, Department of Mental Health, County Mental Health Departments, and consumers, met in Sacramento on Thursday, May 07, 2009 to review 667 qualifying applications. Of the applications reviewed, 288 individuals were chosen for loan repayment awards and 319 applicants met the minimum scoring criteria but were not awarded due to a lack of available funding. As of August 13, 2009, 283 applicants have accepted the award, three individuals from Los Angeles, Alameda, and Yolo Counties have declined their awards, and two awards from the counties of Siskiyou and Los Angeles have been retracted due to a conflicting service obligation and ineligible loans.

Enclosed are the March 2009 Summary Statistics and March 2009 Award Recipients, listed by County. For any questions regarding the application process or awards, please contact Judy Melson at 916-326-3648 or JMelson@oshpd.state.ca.us. Congratulations to all of the award recipients!

Thank you for your continued support.

Sincerely,

Judy Melson
