in association with
California Institute for Mental Health

\$24.95 per set

The learning system consists
of three DVDs and a Learning
Resource CD

Three vignettes on each of three DVDs
Total Running Time: Approximately 5 Hrs.

When they were in combat we all supported our troops. Now that so many have returned, there appears to be a disconnect. As redeployed veterans do battle with haunting memories of trauma in the war zone, they deserve more than our thanks for their service. What they need is our help so they can adjust to living in peace, at home, with the rest of us in the country they were willing to die for.
